Dear Parent(s) or Guardian(s),

Welcome to the new school year. I am excited to have your child in my class this year. I have a fun and exciting curriculum planned for us. The goal of this course is to provide each scholar with the opportunity to express and develop their creative ability.

Just a few facts about me, I was born and raised in the country of Jamaica. I moved to the US in the year 2000. My passion for art started at an early age. I'm married with four beautiful children that I love dearly. I have a Bachelor of Art from Madonna University. . In addition to art I also have a passion for playing soccer. I have been involved in youth coaching for the last 16 years. The discipline I have obtained in my soccer career I plan to bring to the classroom, Looking forward to a fun & progressive school year.
